Great reminder not to compare ourselves to others

By Love to try new stuff

I did this Bible study with some neighbor friends and it's a great devotional/ study. We watched the video that went along with it but you could easily go through this yourself as a devotional. It talks about the importance of not comparing yourself to others around you because when you do that you pick and choose other peoples best features and its unrealistic to hold yourself to that standard. You are fine because you are His child, you are fine the way you are. Don't fall into the caparison trap, it only steals your joy, your peace and occupies your mind from the grace that God is giving us. Great reminder to know that we are fine the way we are.
